Dear FCC:

sirs: this raising of fees is basically "gov't greed" for more revenue,
nothing more. I have never used my tracfone for calls outside Hawaii, so
this is my position on this timely matter. Count me in on this fight to
prevent the raising of fees. jiminhonolulu...Tracfone is the only worthy
alternative to high cellphone costs....

Thank you for your prompt attention to this matter. Please provide a
written response indicating the status/resolution of this matter.

Very truly yours,
